SA T. Neale

(beginning of recording)

CHS: So they had them vatos on the payment plan?

PEREZ: That's what I call it eh. 'cause everytime something went down they got an issue.

CHS: So that's what it was was, eh (UI) them fuckers were extorting (UI) extorting that fuck. Getting that fucker...

PEREZ: I – I tell you, all that came out afterwards because like I say at first, I thought oh they're just homies, you know what I mean? You just showed some homies up, cool. Because other vatos (UI) them fuckers is true eh. That's why. Well find out then that the – the truth came out. (UI) He's got the paperwork a year before. That's when he told me hey we got it yes but we're not gonna show it so you just make sure you show some love, no?

CHS: Orale. So, eh, that's.. so that's why, so that's why that fool Javi – Javier was fuckin' always sending coffee to him because he knew he was a *chaffa* fucker.

PEREZ: He was, he was covering his ass, dog.

CHS: Orale alright.

PEREZ: It's...

CHS: Well because I hear him say he had him on the payment plan, no.

PEREZ: That.. didn't have to go down like that, it was so sloppy. Honestly, though after everything was said and done, something, I'm not gonna say who though, somebody said them vatos was sitting on a two foundation... you feel me? Do you feel me?

CHS: Who said that?

PEREZ: I can't, I can't repeat that. I can't but...

CHS: Not wha?

PEREZ: One vato was forty-seven days to the house..

CHS: Dud, I already knew.

PEREZ: One dude was less than a year to the house. Red was only two years to the house. Blue was just a couple years to the house. So why would you send them vatos, why not send the vatos that are doing *vida*, homes?

CHS: Yeah.

PEREZ: What was Ron-Ron part of I, eh? That's who they should have sent, that mother fucker has never put in a second of work before... but he writes like he's somebody.

CHS: Yeah...

PEREZ: I tell you bro, just even talkin' about it now gets me mad, bro... because some of that shit is not right, eh, the way it was done but I ain't nobody, homie.. I'm just, I am just a mother fucker to. ...

CHS: Oh, the same person that told you, hmm.. you are on a suicide mission probably the same person that told you, you was, you know, you know carnal, you know what that was over.

PEREZ: Yeah.

CHS: You know what I mean?

PEREZ: Yeah.

CHS: That was a message, do you know what I mean?

PEREZ: Yeah.

CHS: It was a message to fucking, you already know? Right or wrong?

PEREZ: It - I tell you boy, he sent one message but he left a couple out there on the table to be considered, you know.

CHS: That's true, but that's, that's what basically it was,

PEREZ: UI

CHS: Huh?

PEREZ: It's the truth because like when Shadow and them were around.

CHS: But, UI..

PEREZ: UI... I would try to talk to, and that would shut them down. I would tell 'em, I don't talk about it to nobody. You really be the only one that I would talk to about it, Shadow. Do you feel me?

CHS: *Simon.*

PEREZ: And – and -and there would not be no doubt in my mind, Dog, if something come up that I say to you, I know you're the one that's said it because nobody else, I never told

nobody else. You feel me?

CHS: You think I'm going to say something?

PEREZ: You are the only one that I trusted this much because right now it's hard to find somebody to trust, huh.

CHS: Yeah, *simon*, no I feel you, carnal, but eh -

PEREZ: Let me tell you, dog, when I give you my pin number that should have told you something, Dog but I wouldn't have even given it to Dan-Dan and them when he first got back.

CHS: Yeah, *simon*.

PEREZ: That's how much I fucking trust you, *ese*.. because I know, not just what I think but what I feel in my core. If something comes up and you need *llamada* you come hey big Dog, can I borrow one of your coats, I know you have UI.. with a decency to say hey Dog, can I use this for *llamada*? It's more important to get one.

CHS: Nah.

PEREZ: You know some of these other vatos, they fucking burn it up and Uh, (UI).

CHS: Nah.. ya sabe, but washa, check it out, carnal.. Yeah, no I just do you know what I mean, carnal, I'm heading back down to Cruses myself, no?

PEREZ: Yeah.

CHS: and I wanta know what's going on with everything so I'm, I'm up on games. *Sabes como?*

PEREZ: and like I told you (UI).. when everything is settled and and I told you... UI. They're talking shit about me. But they are talking out of their ass because they don't know nothing.

CHS: Yeah, well, fuck 'em carnal, you know what I mean?

PEREZ: You know what. Let them think what they want to think dog.

CHS: It's all good Rudy you don't even trip, bro.

PEREZ: I know in my heart though what I said, you know.

CHS: Yeah.

PEREZ: I am solid as a mother fucker, dog.

CHS: Well see, this is what I heard, *ese*, was that mission was supposed to be to send a message to the administration because they was starting that program. That's why that message was pushed even more. Do you get what I'm saying?

PEREZ: I didn't hear that one.

CHS: And that -

PEREZ: I didn't hear that message, I didn't hear or see it but they left several other issues on the table like that, like me and you have talked.

CHS: What, Ace? Cuz Ace told me, homes.

PEREZ: Check this out, those vatos that are in a position we will say like that, we say in a position, but they have a say-so in certain things, but they let their addiction cloud their mind to make right calls. Their greed, they are like Arturo, would rather get high than make to right thing. You feel me?

CHS: Yeah.

PEREZ: So we leave it at that my fellow.

PEREZ: (UI) I am going to get up off this floor a little bit brother.

CHS: Alright, carnal, you have a good day, no?

PEREZ: Alright my brother.

CHS: Alright (UI).

END.
